BID BOND

KNOW ALL MEN BY THESE PRESENTS, That we, the undersigned, Coastal Drilling East LLC
of 130 Meadow Ridge Road, Mt. Morris, PA 15349, as Principal, and Euler Hermes North America Insurance Company of 800 Red Brook Blvd., Owings Mills, MD 21117, a corporation organized and existing under the laws of the State of Maryland with its principal office in the City of Owings Mills, MD, as Surety, are held and firmly bound unto the State of West Virginia, as Obligee, in the penal sum of Five Percent of Amount Bid (\$ 5%) for the payment of which, well and truly to be made, we jointly and severally bind ourselves, our heirs, administrators, executors, successors and assigns.

The Condition of the above obligation is such that whereas the Principal has submitted to the Purchasing Section of the Department of Administration a certain bid or proposal, attached hereto and made a part hereof, to enter into a contract in writing for Plugging Project API #4708505813 Cokeley Campground
RFQ# DNR2000000060

NOW THEREFORE,

- (a) If said bid shall be rejected, or
- (b) If said bid shall be accepted and the Principal shall enter into a contract in accordance with the bid or proposal attached hereto and shall furnish any other bonds and insurance required by the bid or proposal, and shall in all other respects perform the agreement created by the acceptance of said bid, then this obligation shall be null and void, otherwise this obligation shall remain in full force and effect. It is expressly understood and agreed that the liability of the Surety for any and all claims hereunder shall, in no event, exceed the penal amount of this obligation as herein stated.

The Surety, for the value received, hereby stipulates and agrees that the obligations of said Surety and its bond shall be in no way impaired or affected by any extension of the time within which the Obligee may accept such bid, and said Surety does hereby waive notice of any such extension.

WITNESS, the following signatures and seals of Principal and Surety, executed and sealed by a proper officer of Principal and Surety, or by Principal individually if Principal is an individual, this 8th day of June, 2020.

Technical Questions

Question 1: I understand the awarded contractor is to obtain the Drilling Permit from the WVDEP. Should we include the costs involved in preparing the permit including the actual permit submission fee be included in the bid?

Answer 1: Yes, this will be the responsibility of the contractor.

Question 2: Will the submission be presented in a line item format?

Answer 2: This project is a lump sum project.

Question 3: Will all entrance permits from the DOH be the responsibility of the contractor?

Answer 3: Yes, the contractor is responsible for any and all permits.

Question 4: Are there any specifications on the plugging procedure other than to comply with the general WVDEP requirements?

Answer 4: No, we do not have any additional specifications available.

Question 5: Will the WVDEP inspector be approving the work order for the Plugging Permit?

Answer 5: Yes.

Question 6: As the Sool Conservation District is the bond holder on this well, who will sign the actual permit application?

Answer 6: The well operator will sign the actual permit application.

Question 7: Are there any coal owners of record or does the State of WV own all oil and gas and coal under the property?

Answer 7: There are separate owners for the mineral rights.

Question 8: Are there any special requirements for reclamation other than those in the general WVDEP guidelines?

Answer 8: Any seed mix applied to the site must be approved by Agency.

Question 9: Will gravel be required for the lease road or location?

Answer 9: No, gravel will not be required.

Question 10: Will an earth pit be allowed?

Answer 10: Yes. Tanks are preferred to earth pits, but pits are allowed. All regulatory requirements must be followed including reclamation of site. This includes any pit.

Question 11: Will containments be required for Plugging equipment?

Answer 11: Yes. All regulatory requirements must be followed for procedure. The site must be protected against erosion and sedimentation, and all equipment must be contained against leaks or contaminations.

Question 12: Do you have any info available for the Cokeley Well? Drillers log, completion report, etc?

Answer 12: No, it is the contractor's responsibility to obtain this information as per Request For Quotation.

Question 13: Is this project going to be bid Lump Sum or will there be separate line items?

Answer 13: The Pricing Page is set up for a Lump Sum bid.

Question 14: Are the power lines running up the hill near the well still in service?

Answer 14: There is a powerline right of way that you will cross (90 degree crossing) that is live. The line that runs up to hill toward the site is abandoned.

Question 15: Will any change orders be granted if any unforeseen complications down hole would occur?

Answer 15: Change Orders can be submitted and will be reviewed for approval by the Agency for any unforeseen circumstances.
