

## -Bird Feeder-

### Materials Needed:

- Pinecones
- Peanut butter
- Bird seed
- Yarn
- Scissors

### Instructions:

1. Cut a piece of yarn double how long you want the pinecone to hang. This will be the way you hang your bird feeder. Tie onto your pinecone.
2. Cover the pinecone with peanut butter.
3. Coat the pinecone with birdseed.
4. Hang somewhere that is sheltered from rain, a tree with a strong canopy, or under a patio roof.
