

-DIY Seed Bombs-

Materials Needed:

- Construction paper
- Blender
- Scissors
- Wildflower seeds
- Bowl of water

Instructions:

1. Cut construction paper into 1-inch squares. Soak in water for approximately 20 minutes.
2. Put construction paper squares into blender and blend until you have a fine mixture.
3. Mix seeds into this mixture, roll into a ball and let sit overnight.
4. Throw seed bombs wherever you wish for flowers!
