

## -DIY Walking Stick-

### Materials Needed:

- Stick about 1-3 inches thick that comes up to your shoulder
- Various paint colors
- Yarn
- Beads
- Scissors
- Paint brushes

### Instructions:

1. Let the students choose a stick about shoulder height that is 1-3 inches thick.
2. Let the students get creative and paint their stick the way they would like (NOTE: They do not have to paint the entire stick).
3. They can add beads or wrap yarn as desired.
4. Each stick is personalized to the individual and there is no wrong way to decorate your walking stick!
